Special production sports socks with Bookmark Gift...

Don't destroy the label!

We designed the label you threw in the trash as a magnetic bookmark. Thus, you have become sensitive to the environment and now you have a bookmark.

Rotating Display & Stand

We designed a special rotating stand for our customers so that our socks, which consist of various color groups, can be sold without taking up much space in stores.

280 mm

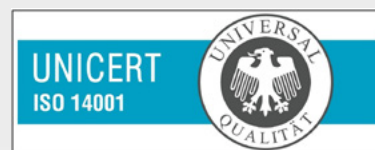

1290 mm

70 mm

Certificates

Our company attaches great importance to environmental awareness, respect for employee rights and consumer satisfaction, which are necessary from all stages of production to reaching the consumer.
